

## Consent of Individual to Publish Material in *Annals of Family Medicine*

I hereby give the Annals of Family Medicine, Inc., the right and permission to use, publish (in print and electronic versions), and copyright the following images of or information about \_\_\_\_\_:  
[Insert subject's name]

[Insert description of photographs and/or other materials covered by this consent form. Example: "3 photos of lower extremity skin lesion in different stages of healing"]

I understand that, subject to the conditions on use set forth below, this permission may not be revoked.

### Conditions on use of material

1. The subject's name will not be published, and reasonable efforts will be made to protect the subject's anonymity. I understand, however, that complete anonymity cannot be guaranteed.
2. The material may be published in *Annals of Family Medicine*, a scientific journal. Most readers are doctors, but many are not medical professionals, and the readership may include journalists and the general public.
3. If the article is accepted for publication, it will appear in print and on the *Annals of Family Medicine's* World Wide Web site. This site is currently open to everybody for free.
4. The Annals of Family Medicine, Inc., may grant permission to others to reprint the material from the *Annals of Family Medicine* so that it appears in other publications and media (both print and electronic versions).
5. The material will *not* be used for advertising or packaging.
