Innovative Faculty Opportunity

Middletown, Connecticut

Middlesex Health Family Medicine Residency Program, a nationally recognized innovator in residency education, is seeking a dynamic, board-certified DO or MD family physician for a full time faculty position. Osteopathic, musculoskeletal, and geriatric skills are highly desired.

Responsibilities include outpatient care in one of our three NCQA Level 3 PCMH offices, teaching and supervision of residents and medical students in both inpatient and outpatient settings, resident advising, and curriculum development. Protected time is provided for administrative and scholarly activity.

We are a 28- resident program with a gifted, diverse and experienced faculty. A participant in the P4 and Length of Training initiatives, our innovative 4-year curriculum is based at a "Top 100," Magnet and Most Wired community hospital where Family Medicine is the dominant primary care specialty. We are affiliated with the University of Connecticut, Yale University and Quinnipiac University. We offer an attractive compensation package and the opportunity to live and work in a lively, family-friendly, and culturally active New England setting. Located on the Connecticut River half way between Boston and New York City, Middletown is home to Wesleyan University, and a short drive from beaches, rural countryside, and big mountain skiing.
