

# EMPLOYMENT OPPORTUNITIES

## Innovative Faculty Opportunity

Middletown, Connecticut

Middlesex Health Family Medicine Residency Program, a nationally recognized innovator in residency education, is seeking a dynamic, board-certified DO or MD family physician for a full time faculty position. Osteopathic, musculoskeletal, and geriatric skills are highly desired.

Responsibilities include outpatient care in one of our three NCQA Level 3 PCMH offices, teaching and supervision of residents and medical students in both inpatient and outpatient settings, resident advising, and curriculum development. Protected time is provided for administrative and scholarly activity.

We are a 28- resident program with a gifted, diverse and experienced faculty. A participant in the P4 and Length of Training initiatives, our innovative 4-year curriculum is based at a "Top 100," Magnet and Most Wired community hospital where Family Medicine is the dominant primary care specialty. We are affiliated with the University of Connecticut, Yale University and Quinnipiac University. We offer an attractive compensation package and the opportunity to live and work in a lively, family-friendly, and culturally active New England setting. Located on the Connecticut River half way between Boston and New York City, Middletown is home to Wesleyan University, and a short drive from beaches, rural countryside, and big mountain skiing.

**PennState Health**

Penn State Health is fundamentally committed to the diversity of our faculty and staff. We believe diversity is unapologetically expressing itself through every person's perspectives and lived experiences. We are an equal opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to age, color, disability, gender identity or expression, marital status, national or ethnic origin, political affiliation, race, religion, sex (including pregnancy), sexual orientation, veteran status, and family medical or genetic information.

### What We're Seeking

- MD, DO, or foreign equivalent
- Completion of an accredited family medicine training program
- Ability to acquire license in the state of Pennsylvania
- BC/BE in family medicine

## Family Medicine Residency Faculty Opening

The Family Medicine Residency Program at Lancaster General Hospital is seeking a **Family Medicine Physician** to join its faculty. The candidate will serve as a core faculty member participating in adult medicine and/or OB after hours service coverage, and also serve as an inpatient attending on one and/or both of these services.

The Associate Director of Family Medicine will help to develop, present and supervise curricula, treatment protocols, and other didactic materials for the program. The candidate will serve as a faculty advisor by conducting formal evaluations, counsel residents, and coordinate research audits of assigned team of residents. The incoming Associate Director will also maintain a limited practice by providing quality patient care seeing patients from infant to geriatrics at one of Penn Medicine Lancaster General Health's Academic Family Practice Centers.

For more than 50 years, the Lancaster General Hospital Family Medicine Residency Program has attracted some of the country's most talented medical school graduates. We are honored to be ranked #4 overall among family medicine residency programs by U.S. News & World Report and Doximity. Lancaster General Hospital is proud to have offered one of the first Family Medicine Residency programs in America. It remains one of the most respected and exciting programs in the country.

### Qualifications

- Graduate of an accredited School of Medicine
- Completion of an accredited Family Medicine Residency
- Possess or able to obtain an unrestricted PA Medical License
- Two years of clinical patient care experience desired
- Two years or more of teaching experience preferred
- Experience with community service, as integrated into the college and medical school experience

### Comprehensive Benefits Package

- Competitive base salary
- Comprehensive health insurance
- Paid professional liability insurance
- Paid days off (vacation, holiday, sick, personal)
- Continuing education
- Optional dental and vision plans
- Retirement plans including 403(b)

### Culture

We integrate practices and policies that encourage diverse perspectives, experiences and cultures by showing an appreciation for the differences in ethnicity, gender, age, national origin, religion, education, disability, and sexual orientation in our workforce. We celebrate the diversity of our community, strive to have our residency reflect the diversity of our patients and community, work to reduce health disparities, and eliminate social injustices.

### Community

Lancaster is conveniently located within relatively close proximity to several major east coast cities including: Philadelphia, PA, Baltimore, MD, Washington, DC, and New York, NY.

## East Carolina University® Brody School of Medicine Department of Family Medicine

Brody School of Medicine is committed to training primary care physicians, improving the health of the people of eastern North Carolina, and enhancing the access of minority and disadvantaged students to a medical education. Our Department of Family Medicine is comprised of leading divisions of residency education, medical student education, sports medicine, geriatrics, and research. We are actively expanding our geriatrics and maternal-child health programs, building additional rural residency programs, and preparing for the expansion of our medical school class with leadership from Family Medicine.

*Live in beautiful coastal North Carolina and be part of a mission-driven team on the forefront of education for future family physicians!*

### Opportunities Available:

- Geriatrics Physician: Board Certified Family Medicine or Internal Medicine physician with additional qualification in Geriatrics. Practice and teaching sites include an ambulatory geriatric center, the Family Medicine Center, Vidant Medical Center, and a continuing-care retirement community with skilled care beds.
- Geriatrics Division Director: Visionary leader to expand our Geriatrics Division to meet the growing needs of our patients, streamline impactful research, and develop the optimum curriculum and training opportunities for our students, residents, Geriatrics fellows, and Palliative Care fellows.
- Medical Student Education Division Director: Innovative, enthusiastic physician to lead our Medical Student Education Division. Will expand our vision for predoctoral programs within the Department and lead the Department faculty who are active in medical student education.
- Academic Physician: Family Medicine physician, OB care preferred. Responsibilities include supervision and education of residents, medical students, and other learners. Will provide medical care to patients in the inpatient and outpatient settings.
- Sports Medicine Physician: Family Medicine Physician with additional qualification in Sports Medicine. Responsibilities include direct patient care, and supervision and education of the Sports Medicine fellow and residents.

We offer competitive salary, excellent benefits, and faculty appointment at Brody School of Medicine. Women and minority candidates are encouraged to apply.
