

EMPLOYMENT OPPORTUNITIES

**SUNY
DOWNSTATE**
Health Sciences University
FAMILY AND COMMUNITY MEDICINE

CLERKSHIP DIRECTOR FACULTY POSITION

SUNY Downstate Health Sciences University is the only medical school in Brooklyn, NY, and its family medicine residency program was one of the first established, having been fully accredited since 1973. The program has six residents at each training level and two primary care family health centers, one located in University Hospital and the other in a neighborhood nearby.

The community we serve is diverse and vibrant, and we are looking for an individual with a commitment to working in this setting.

We are recruiting a director to head our Primary Care Clerkship. The position would:

- Grow the Family Medicine preceptor pool while leading our undergraduate medical education program (UME) and teaching residents and medical students
- Take call on our inpatient service in rotation with family physician colleagues
- Provide direct patient care at our residency training site, which is moving to a brand-new building around January 1st.
- No OB requirement
- NY license and Board certification required.
- Great pay and benefits. Eligible for faculty appointment to the rank of Assistant Professor.

Interested individuals should send their CV and letter of interest to Montgomery Douglas, M.D., Chair, Family and Community Medicine. Montgomery, Douglas@downstate.edu.

Community
Health Network

*Exceptional Care.
Simply Delivered.*

Community Health Network, headquartered in Indianapolis, IN, is seeking a board-certified Family Medicine physician, experienced leader, and skilled educator to lead the Community Hospital East Family Medicine Residency as Residency Program Director. An ideal candidate will be team-oriented, an accomplished clinician leader, and a scholar. This person will take the helm of a strong residency program in a well-supported GME environment. The East program was the first program established in this network, over 45 years ago, and continues to be a strong educational presence for residents and medical students.

EAST RESIDENCY HIGHLIGHTS

- Family Medicine residents in a continuously ACGME accredited residency program, with over a 45-year history (10-10-10)
- Part-time clinical practice is expected
- Inpatient medicine teaching service, OB, Newborn care optional (preferred but not required)
- Shared call schedule
- Patient-centered Medical Home
- Innovative longitudinal curriculum
- Underserved track offered in partnership with Jane Pauley Community Health Center
- Faculty development opportunities
- Strong, experienced and diverse faculty team
- Electronic Medical records integrated at all outpatient and hospital sites (Epic)
- Strong GME support and oversight
- History of faculty or program leadership, scholarship a must
- Commitment to diversity equity and inclusion

LICENSURE & CERTIFICATIONS

- Board Certified in Family Medicine
- Licensed or eligible for medical licensure in Indiana, including DEA and CSR
- Minimum of 5 years of practice post-residency in an ACGME accredited residency program
- Additional training in Faculty Development a plus

Family Medicine Residency Faculty Opening

The Family Medicine Residency Program at Lancaster General Hospital is seeking a **Family Medicine Physician** to join its faculty. The candidate will serve as a core faculty member participating in adult medicine and/or OB after hours service coverage, and also serve as an inpatient attending on one and/or both of these services.

The Associate Director of Family Medicine will help to develop, present and supervise curricula, treatment protocols, and other didactic materials for the program. The candidate will serve as a faculty advisor by conducting formal evaluations, counsel residents, and coordinate research audits of assigned team of residents. The incoming Associate Director will also maintain a limited practice by providing quality patient care seeing patients from infant to geriatrics at one of Penn Medicine Lancaster General Health's Academic Family Practice Centers.

For more than 50 years, the Lancaster General Hospital Family Medicine Residency Program has attracted some of the country's most talented medical school graduates. We are honored to be ranked #4 overall among family medicine residency programs by U.S. News & World Report and Doximity. Lancaster General Hospital is proud to have offered one of the first Family Medicine Residency programs in America. It remains one of the most respected and exciting programs in the country.

Qualifications

- Graduate of an accredited School of Medicine
- Completion of an accredited Family Medicine Residency
- Possess or able to obtain an unrestricted PA Medical License
- Two years of clinical patient care experience desired
- Two years or more of teaching experience preferred
- Experience with community service, as integrated into the college and medical school experience

Comprehensive Benefits Package

- Competitive base salary
- Comprehensive health insurance
- Paid professional liability insurance
- Paid days off (vacation, holiday, sick, personal)
- Continuing education
- Optional dental and vision plans
- Retirement plans including 403(b)

Culture

We integrate practices and policies that encourage diverse perspectives, experiences and cultures by showing an appreciation for the differences in ethnicity, gender, age, national origin, religion, education, disability, and sexual orientation in our workforce. We celebrate the diversity of our community, strive to have our residency reflect the diversity of our patients and community, work to reduce health disparities, and eliminate social injustices.

East Carolina University® Brody School of Medicine Department of Family Medicine

Brody School of Medicine is committed to training primary care physicians, improving the health of the people of eastern North Carolina, and enhancing the access of minority and disadvantaged students to a medical education. Our Department of Family Medicine is comprised of leading divisions of residency education, medical student education, sports medicine, geriatrics, and research. We are actively expanding our geriatrics and maternal-child health programs, building additional rural residency programs, and preparing for the expansion of our medical school class with leadership from Family Medicine.

Live in beautiful coastal North Carolina and be part of a mission-driven team on the forefront of education for future family physicians!

Opportunities Available:

- Geriatrics Physician: Board Certified Family Medicine or Internal Medicine physician with additional qualification in Geriatrics. Practice and teaching sites include an ambulatory geriatric center, the Family Medicine Center, Vidant Medical Center, and a continuing-care retirement community with skilled care beds.
- Geriatrics Division Director: Visionary leader to expand our Geriatrics Division to meet the growing needs of our patients, streamline impactful research, and develop the optimum curriculum and training opportunities for our students, residents, Geriatrics fellows, and Palliative Care fellows.
- Medical Student Education Division Director: Innovative, enthusiastic physician to lead our Medical Student Education Division. Will expand our vision for predoctoral programs within the Department and lead the Department faculty who are active in medical student education.
- Academic Physician: Family Medicine physician, OB care preferred. Responsibilities include supervision and education of residents, medical students, and other learners. Will provide medical care to patients in the inpatient and outpatient settings.
- Sports Medicine Physician: Family Medicine Physician with additional qualification in Sports Medicine. Responsibilities include direct patient care, and supervision and education of the Sports Medicine fellow and residents.

We offer competitive salary, excellent benefits, and faculty appointment at Brody School of Medicine. Women and minority candidates are encouraged to apply.
