

We are delighted to announce that Timothy Daaleman, DO, MPH has joined the *Annals* team as Associate Editor. Tim is Professor and Vice Chair of Family Medicine at the University of North Carolina at Chapel Hill. He has been an outstanding reviewer for *Annals* for many years, and brings to this new role diverse and relevant experience as a clinician, researcher, and leader.

We welcome your reflections at <http://www.AnnFamMed.org>.

## CORRECTION

*Ann Fam Med* 2015;13:511. doi: 10.1370/afm.1880.

Wallis KA. Learning from no-fault treatment injury claims to improve the safety of older patients. *Ann Fam Med*. 2015;13(5):472-474.

A careful *Annals* reader has pointed out an error in Table 2. Under the heading for All Medication Injuries, Total N = 1,423, in the row containing data for Aspirin, the total should be 7, not 77 and the percentage 0, not 5. The author regrets the error.
