## Seeking FP, Primary Care Physician | Full Time, ideally situated JUST OUTSIDE SUBURBAN CHICAGO

Morris Hospital & Healthcare Centers is a long-standing, independent, community-focused, Level II Trauma & Perinatal and Primary Stroke Center that has a growing Family Medicine opportunity available between two different sites in Braidwood, IL and Dwight, IL with other PCP, LCSW and specialties onsite.

- 1.0FTE, **no weekend clinic work**. We're flexible with setting up a non-traditional schedule; 1 weekday evening required. See all ages with ability to perform in-clinic procedures, if desired as well.
- Adult patient inpatient work can be taken care of by the hospitalist service-line. Have the option of working traditionally or out-patient only for your adult pts in the clinic. During the weekdays, physicians are responsible for office call coverage (phone calls). Call coverage can be arranged during time off with several other PCPs (>20). Weekend Call Rotation available too. We also have different options for pediatric inpt coverage.
- **Market Competitive Compensation Package** which includes, moving bonus, CME/General Expense account, **Medical Education Loan Assistance** (if appl), prod/qual bonus plus 5 weeks Paid Time Off, Retirement Plan w/matching, and more!
- Enjoy **consultation & collaboration** with nearly **160 physicians in 38 medical specialties**, which includes 24 PCPs and 8 Pediatricians. We also have Endo, advanced Cardio and Imaging services, Hem/Onc, RadOnc, Ortho&Spine, Urol, GI, InfDis, Neph – with inpt Dialysis, ENT, Eye, Ob/Gyne, etc. We also have a Sleep Center, 24/7 CATH Lab, Tele-Psych at the hospital and **LCSWs in primary care clinics**, phenomenal ED & Rad departments (both groups have been with us for approximately 20yrs+), Breast Health Nurse Navigator, 4 Urgent Care centers, our own blood bank, 3 pathologists, plus PT/OT/SLP Rehabilitation Services, pain care, wound care and much more!
- Gain great learning experiences and **teaching opportunities** are available with students.

Our service area includes close knit, family-oriented communities with **excellent education and employment opportunities and beautiful neighborhoods** that provide naturally distanced areas with beautiful scenery and outdoor recreation at its BEST! Living and working here is where you can truly enjoy the best of both worlds with being centrally located close to Chicago. For more information, please contact Jennifer Goodwin, in-house Manager of Physician Recruitment & Relations at (815) 705-1470, texts/calls also welcome at 630-347-7539 or by emailing her at [jgoodwin@morrishospital.org](mailto:jgoodwin@morrishospital.org).

AFFILIATED WITH

### Family Medicine Opportunities Cambridge Health Alliance (CHA)

CHA, a Harvard Medical School and Tufts University School of Medicine teaching affiliate, is an award winning, academic public healthcare system. We proudly serve the ethnically and socio-economically diverse patient population within our communities.

CHA is currently recruiting Family Medicine Physicians for our various neighborhood health centers in Cambridge, Somerville, Malden, Revere, and Everett.

- Full time and part time opportunities available.
- Primary Care Float opportunities.
- Physicians enjoy a collegial, vibrant and dynamic environment and great work/life balance.
- Opportunities available for teaching, and academic appointments commensurate with medical school criteria.
- Infrastructure includes fully integrated EMR (Epic) and clinical and administrative supports for primary care providers including onsite lab services, radiology, pharmacy, behavioral health, medical and surgical specialties, and more!

Ideal candidates will possess excellent clinical/communication skills and a strong commitment to and passion for our multicultural, underserved patient population.

CVs may be sent directly to Melissa Kelley, Provider Recruiter, at [ProviderRecruitment@challiance.org](mailto:ProviderRecruitment@challiance.org).

*In keeping with federal, state and local laws, Cambridge Health Alliance (CHA) policy forbids employees and associates to discriminate against anyone based on race, religion, color, gender, age, marital status, national origin, sexual orientation, relationship identity or relationship structure, gender identity or expression, veteran status, disability or any other characteristic protected by law. We are committed to establishing and maintaining a workplace free of discrimination. We are fully committed to equal employment opportunity. We will not tolerate unlawful discrimination in the recruitment, hiring, termination, promotion, salary treatment or any other condition of employment or career development. Furthermore, we will not tolerate the use of discriminatory slurs, or other remarks, jokes or conduct, that in the judgment of CHA, encourage or permit an offensive or hostile work environment.*

## Family Medicine Residency Core Faculty Physician Penn State Health St. Joseph Medical Center Reading, PA

Penn State Health St. Joseph is seeking a BC/BE family medicine physician to join our team as a faculty member in our 6-6-6 Family and Community Medicine Residency Program in Berks County, PA. Priority will be given to candidates interested in inpatient medicine. The Family and Community Medicine Residency Program strives to provide excellent education in training family physicians to provide comprehensive, compassionate, coordinated and continuous high-quality patient-centered care to the community served by our Program.

## FAMILY PRACTICE PHYSICIAN

1. Obtaining and recording a detailed medical history of each patient including, but not limited to, the patient's chief complaint, his/her present condition, the patient's individual history, and his/her family history.
2. Performing complete physical examinations of each patient reasonably necessary to evaluate various primary care conditions and identify the need for any referrals.
3. Analyzing reports and/or findings of tests and personal examinations in order to assess the condition of the patient, including diagnosing his/her injury or illness and formulating a prognosis.
4. Effectively communicating with patients and other health care staff to manage patient care.
5. Referring the patient to other physicians, including specialists and other health care providers, when and if needed.
6. Responsible for prescribing medication or treatment plans for the patient's condition.
7. Perform such clinical procedures as are consistent with Physician's training.
8. Keep and maintain appropriate records relating to all professional services rendered.
9. Use electronic medical records systems.
10. Prepare and attend to all reports, claims, and correspondence necessary and appropriate to the performance of the professional services, and ensuring that records and documentation are in compliance with Federal and State regulations.
11. Demonstrates integrity, care and compassion when working with patients, families and staff.
12. Adheres to the standards and policies of the Organizational Privacy/Security and Compliance Programs, including the duty to comply with applicable laws and regulations (HIPAA, OSHA, OIG guidelines, other State and Federal laws).
13. Maintains privacy of all patient, employee and volunteer information and access such information only on a need to know basis for business purposes.
14. Complies with all regulations regarding corporate integrity and security obligations. Report unethical; fraudulent or unlawful behavior or activity.
15. Maintains confidentiality of the organization by ensuring that information is accessible only to those authorized to have access and is protected throughout its lifecycle.
16. Performs other duties assigned by Employer from time to time that are commensurate with professional services normally and customarily performed by a physician.
