Penn Medicine
Lancaster General Health

LIVE YOUR LEGACY

Family Medicine Residency Faculty Opening

The Family Medicine Residency Program at Lancaster General Hospital is seeking a Family Medicine Physician to join its faculty. The candidate will serve as a core faculty member participating in adult medicine and/or OB after hours service coverage, and also serve as an inpatient attending on one and/or both of these services.

The Associate Director of Family Medicine will help to develop, present and supervise curricula, treatment protocols, and other didactic materials for the program. The candidate will serve as a faculty advisor by conducting formal evaluations, counsel residents, and coordinate research audits of assigned team of residents. The incoming Associate Director will also maintain a limited practice by providing quality patient care seeing patients from infant to geriatrics at one of Penn Medicine Lancaster General Health's Academic Family Practice Centers.

Family Medicine Residency Core Faculty Physician

Penn State Health St. Joseph Medical Center
Reading, PA

Penn State Health St. Joseph is seeking a BC/BE family medicine physician to join our team as a faculty member in our 6-6-6 Family and Community Medicine Residency Program in Berks County, PA. Priority will be given to candidates interested in inpatient medicine or obstetrical services. The Family and Community Medicine Residency Program strives to provide excellent education in training family physicians to provide comprehensive, compassionate, and patient-centered care. Duties include teaching, mentoring, advising, and supervising residents; engaging in scholarly activity; and providing patient care. The residency program fosters a supportive family-oriented environment that encourages work-life balance.
