

EMPLOYMENT OPPORTUNITIES

Are you innovative, creative, collaborative and forward thinking?
Then come join us in Las Vegas, Nevada!

Dignity Health-St. Rose Dominican Hospitals of Las Vegas has exciting opportunities for Family Medicine Core Faculty and Behavioral Health Faculty positions to help build a brand new community based Family Medicine Residency program. We are committed to educating and mentoring residents to care for the community while living the CommonSpirit mission.

FAMILY MEDICINE CORE FACULTY

You will have the opportunity to help build an 8/8 family medicine residency from the ground up. We have initial accreditation and now the real work starts! The position will include administrative, teaching, resident/medical student supervision and patient care responsibilities. The ideal candidate will have experience in full spectrum family medicine.

The Opportunity:

- Proximity to award-winning Hospitals/Specialists where patients have access to the very latest in medical services and care
- Competitive salary with income guarantee and bonus potential
- Sign-on bonus
- Full benefits: Paid vacation/sick, medical/dental/vision coverage, retirement plans including a pension, malpractice coverage and CME allowances

Qualifications:

- BC in Family Medicine
- Licensed or able to get licensed in NV
- Ability and desire to practice full spectrum family medicine

BEHAVIORAL HEALTH FACULTY

You will have the opportunity to help build the behavioral health components of the residency. The position will include administrative, teaching, resident supervision and clinical responsibilities. Advanced individual and group counseling skills are required. Applicants must also have experience in teaching and observation of the doctor/patient interaction and skills in accessing community resources.

The Opportunity:

- Engages in Scholarly work and teaching
- Maintains a small clinical practice (50%) to keep up to date on skills

Qualifications:

- LCSW or Doctoral Level (Doctoral preferred (including MD who did FM/Psych residency))
- Advanced individual and group counseling skills
- Minimum of 3 years of applicable experience

UNIVERSITY OF HAWAII

CLINICIAN EDUCATOR-CORE FACULTY

PASSIONATE ABOUT GME?

WANT TO WORK IN A DIVERSE PACIFIC BASIN ENVIRONMENT?

The Department of Family Medicine and Community Health at the John A. Burns School of Medicine has been training primary care doctors for Hawaii and the Pacific since 1994. Our 21 resident program focuses on high quality cross-cultural team-based care and health equity.

Our new Family Medicine outpatient clinic is on the campus of Hawai'i Pacific Health's award winning hospital sponsor at Pali Momi Medical Center, O'ahu. Our progressive department includes a Sports Medicine Fellowship, Community Engagement, and Pacific Health Disparities Research Center. The clinical practice has long-standing collaborative relationships with the UH College of Pharmacy, Behavioral Health, OB/GYN, Geriatric Medicine and others.

Our culturally rich, socio-economically diverse, and geographically unique community provides a robust environment for academic, professional and personal growth.
