We are ever grateful for and indebted to our community. Peer reviewers are key to advancing scholarship and contributing to the quality of a research journal. Please see the [full list](#) for the names of our 2023 peer reviewers. And, as ever, *Annals of Family Medicine* is enriched by those who contribute e-Letters (comments). In 2023, we posted many e-Letters reflecting on a wide range of published articles. Our sincere thanks to those who participated in this stimulating dialog. To read or contribute comments, click on the e-Letters tab from any article or click on "e-Letters" from the "Engage" menu on the *Annals* [home page](#). We look forward to working with and serving you all in years to come.

Annals of Family Medicine is delighted to announce the addition of the following people to our Editorial Advisory Board: Jeffrey Borkan, MD, PhD; Felicity Goodyear-Smith, MD; Paul James, MD; Alex H. Krist MD, MPH, FAFAP. We wish them welcome!
