

Screening for Phenylketonuria (PKU): US Preventive Services Task Force Reaffirmation Recommendation

US Preventive Services Task Force

Ann Fam Med 2008;6:166. DOI: 10.1370/afm.820.

RECOMMENDATION

The US Preventive Services Task Force (USPSTF) recommends screening for phenylketonuria (PKU) in newborns. (This is a grade "A" recommendation.) This reaffirmation recommendation statement is based on a targeted literature search for

new and substantial evidence and is available online-only at <http://www.annfammed.org/cgi/content/full/6/2/166/DC1>. Supporting evidence is available at <http://www.ahrq.gov/clinic/uspstf/uspsspku.htm>.
