Buetow W, Kiata L, Liew T, Kenealy T, Dovey S, Elwyn G. Patient error: a preliminary taxonomy. *Ann Fam Med*. 2009;7(3):223-231.

An error was made in Table 2. Taxonomy of Patient Error in which the entry for the row heading "Mental errors: background determinants" was inadvertently labeled "Memory errors: background determinants." A corrected Table 2 is available at: <http://www.annfammed.org/cgi/content/full/7/3/223/DC2>.
