Supplemental figure. An example of a feedback report.

PCP = primary care physician; alk.ph = alkaline phosphatase; ALT = alanine aminotransferase; amyl = amylase; AST = aspartate aminotransferase; biliru = bilirubin; ultras.h = ultrasound of hepatobiliary tract; LDH = lactic dehydrogenase; γ-glutam = γ-glutamyltransferase.

Note: Bars in white indicate numbers of tests ordered by PCP during 6 months; bars in gray indicate mean numbers of tests of PCP practice group; and bars in dark indicate mean numbers of tests per PCP in region.
