| Colonoscopy          | Family practice      |
| Colorectal cancer    | Internal Medicine    |
| Colon tumor          | Internist            |
| Colorectal carcinoma | General practice     |
| Family physician     | General practitioner |
|                      | Primary health care  |

**Search Terms Used For Each Specific Topic**

**1. Clinical Practice**

Clinical practice  
Medical practice  
Professional competence  
Clinical competence  
Clinical protocol  
Surgical technique  
Medical decision making  
Rural health care  
Procedure length  
Procedure time

**2. Complications**

Complications  
Bowel perforation  
Intestinal perforation  
Gastrointestinal bleeding  
Intestinal bleeding  
Colon tear(s)  
Spleen rupture  
Spleen tear  
Cecum tear(s)

**3. Diagnosis**

Diagnosis  
Differential diagnosis  
Diagnostic value  
Diagnostic test  
Sensitivity & specificity  
Mass screening

**4. Education**

Residency education  
Medical education  
Continuing education  
Health care quality  
Training

**5. Colonoscopy Studies**

Clinical article  
Major clinical study  
Clinical trial  
Comparative study  
Retrospective study  
Prospective study  
Controlled trial  
Randomized controlled trial  
Meta-analysis  
Systematic review
