

Supplemental materials for

Seewald L, Walsh TB, Tolman RM, et al. Technology-facilitated abuse prevalence and associations among a nationally representative sample of young men. *Ann Fam Med*. 2022;20(1):12-17.

Supplemental Appendix: Questions assessing TFA delivered and received

TFA delivered:

How often in the **PAST 12 MONTHS** have you done the following **to your partner** over cell phone, text message, email, IM, or social networking sites such as Facebook?

| Never | Once | Twice | 3 to 5 times | 6 to 10 times | 11 to 20 times | More than 20 times |
|---|------|-------|--------------|---------------|----------------|--------------------|
| 1 | 2 | 3 | 4 | 5 | 6 | 7 |
| Called your partner names, put them down, or insulted them | | | | | | |
| Sent threatening or harassing messages to your partner | | | | | | |
| Sent unwanted and non-stop texts, calls, and online messages to your partner asking where they are at, what they are doing, and who they are with | | | | | | |
| Checked your partner's cell phone to see who they are talking to or texting without their permission | | | | | | |
| Accessed your partner's online accounts without their permission | | | | | | |

TFA received:
