**Supplemental Table 1. Animal Vaccine Data**

	<b>2018</b>	<b>2019</b>	<b>2020 regular</b>	<b>2020 pop-up</b>	<b>2021</b>
<b>Unique patients</b>	7	65	8	82	74
• <b>Dogs</b>	6	37	6	66	35
• <b>Cats</b>	1	27	14	15	36
• <b>Other</b>	0	1	2	1	3
<b>Rabies vaccine(all)</b>	5	52	4	57	34
<b>Canine DHPP</b>	5	41	1	49	29
<b>Canine Bordatella</b>	0	27	1	30	16
<b>Feline FVRCP</b>	0	25	8	14	37

All vaccines are for separate animals. Some are part of a series for the same animal, and most animals will get more than one vaccine when they present to the clinic.
