Supplemental Figure 2. MHAP CONSORT sample flow.

MHAP = Mental Health Awareness Project; CONSORT = Consolidated Standards of Reporting Trials; VA = participating Veterans Administration practices; KP = participating practices from Kaiser Permanente Medical Care Program of Northern California; CIDI = World Health Organization Composite International Diagnostic Interview for Primary Care.

Note: The 466 patients the MHAP study contributed to this analysis comes from the 507 patients who were followed up at 6 months, and had all the data items required for this analysis.
